Third Party Policy (Please Read)

It is important to MW Wholesale that it protects and maintains the strength, integrity, and goodwill of its brand. MW Wholesale has determined to minimize the re-marketing of MindWare brand product on third party e-commerce platforms. Therefore, any sale of MindWare branded products must be authorized prior to listing on any third party internet sites (including but not limited to: Amazon, E-bay, Overstock, Newegg, etc.). While the Internet is a great tool and source of information, third party e-commerce platforms cannot provide an appropriate online customer experience and should not dilute the brick-and-mortar store experience where consumers can get the look and feel of a game or toy along with expert knowledge of the personnel. Any questions regarding our third party policy please contact us at map@mwwholesale.biz.
